Dear Mr Madsen

Amended Conditional Road Corridor Use Approval – Permit for Temporary Road Closures Various Locations within Scenic Rim

Council acknowledges receipt of your application, requesting the extension of the temporary road closures for various locations within Scenic Rim Region as per the following details:

Traffic Control Company: Various – as engaged by Energex for each location
Closure Duration: 1 February 2025 to 31 July 2025
Closure Times: Monday to Friday - 12:00am to 12:00am;
Saturday & Sunday - 7:00am to 5:00pm; and
No work to be completed on Public Holidays (Emergency works only)
Application Number: RCU24/0509
Date of Original Issue: 9 December 2024

Approval has been granted for this closure, issued in accordance with *Local Law 1 (Administration)*, *Local Law 4 (Local Government Controlled Areas, Facilities and Roads)* and *Subordinate Local Law No. 1.15 (Carrying Out Works on a Road or Interfering with a Road or its Operation)* and will be subject to the following conditions:

- Work is to be carried out between the times stated above.
- **A separate Road Corridor Use permit is to be obtained from Council when a FULL ROAD CLOSURE and detour is to be implemented.**
- The management of all traffic through the work location (including pedestrians/cyclists) must comply with Queensland MUTCD, relevant Australian Standards, and QGTTM and the relevant Austroads Guides. Failure to comply with this requirement may result in the immediate issue of an order to cease work within the road reserve.

In accordance with the Department of Transport & Main Roads (TMR) Traffic Management Registration Scheme, regulatory signage/traffic control may only be implemented by a traffic management company registered with TMR. Details of the scheme including a list of registered companies can be found on: <https://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Traffic-engineering-and-road-safety-approved-products/Traffic-Management-Registration-Scheme>

Please Note: Council's issue of this approval does not imply that the Council accepts any responsibility or liability for the accuracy and implementation of the traffic guidance schemes. The applicant retains all liability for the accuracy and implementation of the traffic guidance scheme.

- The Contractor/Traffic Management Company must maintain, during the period of Works, a valid Certificate of Currency for Public Liability Insurance to the value of \$20,000,000.
- All traffic control equipment to be dismantled immediately after the closure and stacked at an appropriate location, in a safe manner.

Please Note: Some roads within Scenic Rim are State-controlled road. Approval for the closure of this is required from the Department of Transport and Main Roads.

Should you wish to discuss this approval or the above conditions further, please contact Council's Road Corridor Management Team by email to mail@scenicrim.qld.gov.au or by phone on 07 5540 5111, quoting your customer reference number RCU24/0509.

Yours faithfully
